no preserve the richness of color or delicacy of tint of your sum mer dresses, make suds of hot water and Ivory Soap, allow to cool until lukewarm, then wash your dresses in the solution. Ordinary soaps contain too much alkali, which in a short time bleaches the color and destroys its beauty. Prof. Silliman, of Yale College, says, "The IYORY SOAP can not injure the most delicate fabric.

A WORD OF WARNING.

There are many white soaps, each represented to be "just as good as the 'lvory';" they ARE NOT, but like all counterfeits, lack the peculiar and remarkable qualities of the genuine. Ask for "lvory" Soap and insist upon getting it. Copyright 1835, by Procter & Camble,
